Warning of Risk

By participating in this activity you must understand that you are at your own risk (and the risk of your dog). You are solely responsible for supervising your dog and determining whether or not this is an appropriate activity. Dog activities are intended to provide a fun and rewarding experience for you and your dog. Despite careful and proper preparation, there is still a risk of serious injury, including death to the dog, its owner/handler, or other persons or animals. Risks associated with all dog parks include:

- The propensity of any dog to behave in dangerous ways that may result in injury
- The inexperience, negligence, or irresponsibility of a dog owner/handler
- The inability to predict a dog's reaction to movement, sounds, persons, or other animals
- Actions by the dog due to fright, anger, stress, or insect bites
- Natural reactions by the dog such as jumping, pulling, resisting, and biting
- Environmental and traffic conditions
- Acts of God
- Inclement weather
- Slips and falls
- Premises defects
- Equipment failure
- Failure in instruction/supervision
- All other circumstances inherent to dogs and/or outdoor activities

Should you attempt to break up a dog fight or restrain a dog, including but not limited to your dog, you may be severely mauled and/or attacked by your dog or other dogs.

In consideration for permission to use the FPSE Dog Park, you will be expressly assuming the risk and legal liability and waiving and releasing all claims for injuries, damages, or loss which you or your dog might sustain as a result of participating in any and all activities connected with and associated with use of the FPSE Dog. Acceptance of this release and adherence to the FPSE Dog Park Rules & Regulations are conditions of membership. Memberships are non-transferable and may be revoked for non-compliance as may be required by the FPSE Dog Park.
